BARNYARD SHOPPING VILLAGE WELCOMES NEW BOUTIQUES AND EXCITING CHANGES AT THE POPULAR BIXBY BISTRO

Carmel, Calif. – February 3, 2006 – The Barnyard Shopping Village, one of the Monterey Peninsula's finest shopping experiences, always has something new to offer locals and visitors alike. Over the past few months, the shopping haven has welcomed a new art gallery, Anea's Creative Design and From Tee to Green, a women's golf apparel boutique. Dining options have also changed, as the Barnyard's Bixby Bistro has revised its course offerings to include a new twist on much-favored retro dishes. Starting in mid-February, the Bixby Bistro will provide nightly lounge music, featuring classy vocals and a new baby grand piano. Visitors to the Barnyard Shopping Village can now admire textured glass masterpieces, try-out a new golf club and top the day off with an entertaining and nostalgic meal made with Coastal Californian ingredients.

Anea's Creative Design, a gallery displaying local and regional glass artists opened on December 5th, just in time for the start of the holiday shopping season. A creation of local artist Aimee Nicole Edwards-Altadonna, commonly called, "ANEA", the new gallery features artists who are highly skilled in using textured glass materials to produce an assortment of handmade pieces including fused glass artwork, tableware, jewelry and blown glass pieces. ANEA's Creative Design will be open daily from 10 a.m. to 6 p.m. For more information, please visit www.aneascratedesign.com or call 831-626-1622.
