Take a peek at the one-of-a-kind treasures waiting to be discovered in the jewelry stores, gift shops, men's and women's clothiers, and book shop. Looking for local wines, imported olive oil and more? The newly opened Bountiful Basket has many items representing the richness of Monterey County and will ship directly to your home. The galleries, furniture, and garden stores are inspiring, and with so much variety, the choices are endless.

A beverage perhaps? Take a break and enjoy a martini at the Barnyard's newest restaurant, Bixby Martini Bistro. Or dine at one of the other eight fabulous restaurants, each with its own charming atmosphere, distinct international ambiance and delicious menu. If you prefer, a foamy coffee treat to warm your spirit...take your pick!
